

Fun Dayz Community Childcare Service Press Release: 22nd
January 2009

New Community Childcare Service for Bray

A new community childcare service – Fun Dayz - will be opening in Bray on Monday 23rd February. The aim is to provide warm and caring child centred sessional care where children can learn, play and interact with other children.

The service will be located in Prince of Wales Terrace in the Quinsboro Road in a bright pleasant building with an outdoor play area. The highly-qualified and committed staff will offer two childcare sessions a day. The morning pre-school session will be from 8.45am – 12.15pm offering a Montessori curriculum, and will cater for children aged 2.9 – 5 years of age who are toilet trained. The afternoon session will run from 1.30-5.00pm and will be an after-school service for children aged 5-8 years old.

The philosophy of Fun Dayz is that parents are the most important people in their children's lives and parents will always be encouraged to take part and offer ideas and suggestions.

Fun Dayz manager, Teresa Grant, had this to say about the new service: "I'm delighted to have the opportunity to be involved in this community service from the very beginning and I'm really looking forward to getting started and meeting all the new children we will be working with. I'd like to thank Bray Area Partnership, the Marian Centre, Wicklow County Childcare Committee and the Health Service Executive for all their hard work and support in setting up the service and making sure that this valuable resource is available for the local community."

If you want to find out more or get an application form, contact the Manager, Teresa Grant, on 087-7627709.
